Week 4. Term 3 12h August – 16th August 2019

Dear Parents, Caregivers & Friends of the School.

Thank you to Grant Charteris who came to our Monday assembly to present the payment from our working bee two weeks ago. All students are waiting patiently for a truck to drive up Owen Street and deliver our newly purchased trampoline which students will put together for a hands-on technology lesson!

Our values of **respect, pride, determination and responsibility** play a major role in the way we want our students to conduct themselves in all aspects of life. Students this week are self and peer assessing where they think they are on their learning journey. We look forward to sharing this with parents.

Letters have come home to students who are participating in a mathletics warm-up day at the Tikokino Hall which we are hosting. Numbers are up on last year with over 60 students taking part!

This week our Home and School are catering for The Senior Citizens. Thank you to all parents/caregivers who have kindly given their time, money donations or grocery items.

Over the next week, Kate will be sending invoices out for sports fees. It's been pleasing to see the number of students playing sports this season.

Have a great weekend.

Regards,
Hamish Natusch

Student of the week:

Room 1: Georgia Rapson for showing great concentration.

Room 2: Lulu Wynn for displaying a fantastic attitude towards her home learning this week.

Room 3: Floyd Wynn for so caring towards his friends.

Heads of our Girls and Boys Club, Phoebe and Joe, proudly accept the $600 cheque from Grant for placing close to a thousand protective sleeves around newly planted native seedlings.

Wal and Lincoln create their own drums from everyday items found in our playground. I can assure you that it was actually very musical!

It seems pet day has come early with lambs already at school. There was only Anya's lamb on this day so it missed its mates who belong to Abbey!

2019 Important Dates For Your Calendar

29th August – Sherwood Production
29th August - Year 6 Mathletics
30th August – Maths @ The Hall
