Term 3, Week 7 2nd – 6th September 2024

Dear Parents, Caregivers & Friends,

Our CHB Cross Country Team performed well last Thursday against all CHB schools. It was a great course with a bit of mud and a decent hill to sort the top runners out! Achievements of note and who will be attending the HB Cross Country in week 10 are;

Sid Trotter: 3rd Year 5 Boys
Maggie Trotter: 3rd Year 7 Girls
Indie Oliver: 4th Year 7 Girls
Pippa Natusch: 3rd Year 8 Girls

Our Swim 4 Life Programme started well last Friday. We stress the importance to students that we must all learn to swim and be safe around water. There are simply far too many drownings in New Zealand.

We look forward to hosting a number of students from other schools for a Mathletics Practice Day today. This is in preparation for Mathletics Competitions later in the term.

Tomorrow evening at 5:30pm we have the Netball and Hockey Prize Giving. This will be a good opportunity to celebrate our teams and thank you all parents who have contributed to a positive season. Please note that we are now hosting it here at school. A sausage and patty will be cooked on the BBQ for everyone. Adults bring their own refreshments if they'd like.

Next Thursday we have the Year 3 - 8 CHB Rippa Rugby Tournament in Waipawa. We do have three staff at professional development for Structured Literacy on this day, so we are in need of extra parent support and transport. Please complete the transport slip and team supervision slip that came home earlier in the week. A huge thank you in advance for this.

Production rehearsals are coming along well – please continue to support your child/children to learn any lines they don't know well. We look forward to seeing you either at the matinee on Wednesday 18th or evening performance on Thursday 19th.

Have a great weekend.

Regards,
Hamish
